**RE: Resumption of Backfill/Grading Activities  
Export Facility – Libby, Montana**

Dear Mr. Peronard:

Please accept this letter as notification that URS will resume backfill and grading activities at the Export Facility in Libby, Montana. The work will commence on Tuesday, April 17, 2001 and will continue for approximately 10 working days. Completion of this task was prevented in December of 2000 by winter weather conditions.

Dave Sinkbeil, URS Construction Manager, will continue to oversee the work on site.

Should you have any questions or need additional information regarding this work, please do not hesitate to call me at (303) 675-2640.

Sincerely,
